

DELIVERANCE TRAINING SCHOOL

April 5-8, 2017

STANLEY MEMORIAL / FOUNTAIN OF LIFE CHURCH

639 Stanley Street, New Britain CT

Our society is steeped in violence, witchcraft and perversion. As a result more and more people with dysfunctional backgrounds are coming into the church. It is no longer church as usual! These folks are bringing with them the baggage from their past. They sit in church week after week, but never walk in total freedom. As a result they soon fall away or cause havoc in the church. Our leaders need to know how to minister healing and deliverance to these people. This school is a scripturally sound, biblically based training that will equip the leaders in your church to deal with the hurting, wounded, broken, oppressed and even the depressed. This challenging teaching and training will enable your church to bring in the lost and keep them!

You will receive 16hrs of Classroom Teaching & 16hrs of 'live', 'hands-on' ministry experience - A total of 32hrs of training! You will also receive a Certificate of Completion.

Cost: \$220 per person

(INCLUDES class packet, three books and a certificate of completion)
