

An Introduction to

RESTORING THE FOUNDATIONS MINISTRY

An Integrated Approach for Hope, Healing, & Freedom

Lasting Freedom Starts Here...

FAMILY BAGGAGE

These patterns put pressure on you and your descendants to commit the same sins as your ancestors. This pressure must be cut off by applying God's solution.

LIES WE BELIEVE

Lies keep us locked into mindsets that affect our relationships, our careers, and our future. When we come out of agreement with these lies and replace them with God's truth, life drastically changes.

HEALING WOUNDS

God, in His grace, warns us in many places in His Word that in this life we will suffer hurts. Part of Jesus' mission in coming to earth is to bring healing to our wounds. When our wounds are healed we are able to experience life differently.

FREING CAPTIVES

Through all of these ministry areas, we actually give the enemy a legal right to be a part of our lives. But when those legal rights are removed through the RTF ministry, the oppression of our enemy has to leave as we direct. The result is that captives are now set free!

“The Spirit of the Lord is upon me, because He has anointed me to PREACH THE GOSPEL to the poor; He has sent me to HEAL THE BROKENHEARTED, to PROCLAIM LIBERTY to captives and RECOVERY OF SIGHT to the blind, to SET AT LIBERTY those who are oppressed; to PROCLAIM THE ACCEPTABLE YEAR OF THE LORD.
