

UNITING CHURCHES TO PRAY ACROSS CONNECTICUT

What would Connecticut look like if churches coordinate together to cover our state in 24/7 prayer? What if every town, village and community had someone praying for them....24 hours a day—night and day?

CONNECTICUT PRAYS is part of NEW ENGLAND PRAYS

THE VISION

Our vision is to cover New England in 24/7 prayer until Jesus returns. We see a unified church arising with one heart and one mind to pray for revival, awakening, and transformation in our region.

THE CALL

Our call is to devote ourselves to unceasing prayer for our cities, our states, and our nation. *“All these with one accord were devoting themselves to prayer.” —Acts 1:14*

THE COMMITMENT

Every congregation is responsible to cover a full day or half day every month in continual prayer. Recruit people to pray 30-60 minutes in a prayer chain to cover the entire time in prayer. They can pray from home, work, school or at church in a central location. It's up to each congregation to organize their 12 or 24 hour window of prayer however they see fit.

WHAT DOES THIS LOOK LIKE?

Each church will pray ONE DAY PER MONTH for 12 or 24 hours on a rotating basis. Every church will recruit at least 12-24 members to pray for ONE HOUR each. After they finish they will call the next person, pray with them to release the mantle of prayer.
